## TYLER SULLIVAN FINE ARTS & DESIGN

Creative, well rounded artist ready to pursue any obstacle. I take pride in my ability to communicate effectively, meet any and all deadlines with efficiency, and show up 10 minutes early no matter the traffic report. I know that I am a good fit for the job, my outgoing personality, organization, and ability to lead a group when/ if needed makes me a great candidate for the team. I have a firm knowledge in most Adobe software as well as, painting, drawing, human figure, sculpting/3D design, and much more. I will use my personal skills and ability to learn to be the best fit I can possibly be for this company.
