

Site Needs & Goals

THIS PROJECT IS TO HELP US GET STARTED WITH WEB DESIGN AND BUILD A SITE THAT WE CAN ADD TO AND EXPAND AND IMPROVE UPON AS THE SEMESTER CONTINUES. THE PURPOSE OF OUR SITE IS TO SHOW CASE THE WORK WE DO THIS SEMESTER. ALSO TO SHOW WHAT INSPIRED US AND HELPED US TO DESIGN OUR SITE.

THOSE VIEWING THE SITE WILL BE OTHER STUDENTS AND INSTRUCTORS. KEEPING IT SIMPLE, CLEAN AND EASY TO USE IS KEY TO WHAT I WANT TO ACCOMPLISH. I WANT PEOPLE TO BE ABLE TO CONTACT ME, VIEW MY PROJECTS, AND SEE MY ARTWORK AND PHOTOGRAPHY. I WANT TO LEAN TO MAKE A DROP DOWN MENU TO KEEP THE SITE CLEAN AND SIMPLE TO NAVIGATE. I WANT THE PERSON VIEWING MY SITE TO ENJOY THE IMAGES AND NOT HAVE IT FEEL BUSY OR STRESSFUL.

WHAT I WANT TO CONVEY TO BROWSERS IS EASY TO USE SIMPLE AND BEAUTIFUL. I WANTED TO KEEP THE COLORS NEUTRAL ALONG WITH THE TYPE COLOR. I ENLARGED MAIN TYPE TO 16 AND DARKENED FOR EASIER READING. THE CURVE IN THE DESIGN FEELS CALMING AND SOFTENS IT. I TEND TO BE GEOMETRIC AND WANTED TO HAVE THAT LITTLE BIT OF SMOOTH CURVATURE TO GIVE IT A LITTLE VISUAL PLAYFULNESS. I HOPE THAT I COULD TELL HOW SUCCESSFUL MY SITE IS BY THE FACT THAT MY GRADE WILL REFLECT HOW WELL I HAVE BUILT IT.

MY FELLOW STUDENTS ARE ALSO BUILDING WEBSITES AND LAST SEMESTERS SITES ARE GREAT. I WOULD LIKE TO BUILD MINE EVEN BETTER. I HOPE BY HAVING A DROP DOWN MENU BY THE END OF THE SEMESTER. I WOULD ALSO LIKE TO HAVE A SLIDE SHOW FOR MY PHOTOGRAPHY AND WATERCOLORS. MANY OF THE SITES ON THE WEB AND STUDENT SITES HAD NEUTRAL COLORS AND USED PHOTOS TO SHOW CASE THEIR WORK.

I WOULD LIKE TO DESCRIBE MY SITE AS BEAUTIFUL AND EASY TO USE.
